

Good afternoon everyone,

It is great to see things getting back to some semblance of normal at Goderich Place. We are currently working on a new visitation policy which we will share with everyone early next week.

Yesterday we welcomed back our volunteers for our first social gathering of welcome tea and strawberry fest. Everyone who attended had a fantastic time socializing with friends.

In case you have not noticed a lot of work is being done across the road the at Knights of Columbus Park. I am happy to say that Goderich Place has generously donated ten thousand dollars to this community project to bring water to the new community garden. The produce is being donated back to the residents and we will have a fresh food box available at the front desk for residents to help themselves to. We hope all of the residents get a chance to go over and enjoy the park to see the positive changes.

In July Ramona Humphry will be opening the hair shop. We are very excited to have her back as I am sure all of you are. I don't have an exact date but stay tuned we are working on it with the Ontario Stage 2 reopening plan.

**Upcoming Important Dates to remember:**

**Monday, June 28<sup>th</sup>** is the only pan bio clinic we are running next week due to the Canada day holiday on Thursday. Please plan on attending on Monday if you would like to visit family the week of the 28<sup>th</sup> - July 5<sup>th</sup>. Our next scheduled pan bio clinic will be held on July 5<sup>th</sup>.

We are changing our visiting hours at the front door from 8:00am-6:00pm to 9:00am-4:00pm starting Monday, June 28<sup>th</sup>.

We will go back to the procedure of resident's self screening and signing in and out. It is very important that when you take your loved one off the property that they screen in and out with our automated screening tablet. The door will be unlocked for residents to come and go and only ask that they sign in and out and screen in and out when leaving the property and returning to Goderich Place.

I wish everyone a very Happy Canada Day long weekend,

Stay safe,

**Annette Gerdes RPN/AGM**
