

TO OUR VALUED TEAM MEMBERS, RESIDENTS AND THEIR FAMILIES:

As the birds sing, flowers bloom, and bright signs of spring flourish all around us, we welcome another opportunity to thank and celebrate our special moms.

While our celebrations looked a little different this year, I'm sure we can all agree they were even more meaningful. Our thanks have never been more heartfelt, and our virtual moments never felt more dear than in our current climate which begs us to recognize and appreciate the amazing people in our life.

Allow us to take this moment and thank all of the moms at Goderich Place. Whether you are an employee who had to work, or one of our amazing residents unable to hug your loved ones. Please know that we acknowledge your sacrifice and look forward to the day when we can come together once more to celebrate and spread joy with the ones we love.

We hope each and every mom had a beautiful day, and that you felt seen and recognized for your amazing contributions. Afterall, every day is a day to be grateful for mom.

Sincerely,

The Management Team at Goderich Place
