

Dear Residents, Families, and Staff Members.

We are thrilled to announce that our retirement home has successfully navigated through a challenging time and that the recent COVID-19 outbreak has come to an end.

With the cooperation and commitment of everyone involved, we were able to prevent the spread of the virus and protect our community's health and safety. We will continue to monitor the situation closely to ensure that it does not resurface. I remind residents and families if you are feeling unwell or experiencing any symptoms it is important to tell nursing staff. Please do not take it upon yourself to do rapid testing. This is no longer recommended in retirement homes.

We are busy here at Goderich Place getting ready to enjoy some warmer weather. I have attached the May calendar and I remind you to like us on fb to keep up with what is happening in our community. You can also check out our webpage ([www.goderichplace.ca](http://www.goderichplace.ca)) We add all communications and updates to it.

As we move forward into May, we have an exciting calendar of events and activities planned for our residents. We are happy to share the May calendar with you, which includes a variety of engaging and stimulating activities, there is something for everyone. We would like to take the time to wish all the mothers a "Happy Mothers Day" as we celebrate the month of May.

We understand how difficult the past has been for all of us, we want to assure you that we are committed to providing a safe and comfortable environment for our residents. Our dedicated staff members continue to follow policy and procedures including screening measures, and wearing PPE, to ensure that everyone remains healthy and secure.

We would also like to express our gratitude to our residents and families for their patience, understanding and support during this challenging time. Your cooperation has been invaluable in helping us manage the outbreak and keep our community safe.

Thank you for your continued trust in our retirement home, and we look forward to enjoying a wonderful and fulfilling month of May together.

Management,
