

Dear residents and family members,

Despite our efforts and bivalent booster, We regret to inform you that Goderich place is currently in an outbreak. We have had several residents test positive.

At this time, We ask that you only visit for essential reasons. Residents who are not isolating or have symptoms can leave the property.

To further prevent transmission, we will be stopping communal dining at this time. All meals will be served in rooms.

We will be PCR testing all residents tomorrow.

All in-house group activities will be suspended at this time. We will be doing one on one activities and carts to rooms.

Thank you for your co-operation,

Thank you
