Monthly Birthday Party and

Welcome Tea

April 22nd

Music with The Adams Family

April 24th

Music with Katherine and Bob

April 25th

Frauds and Scams Inservice

with Officer Soldan

April 30th

Will April Showers Bring May Flowers??

March had the looks of going out like a lion, but I have a feeling the month will end on a sunny note (fingers crossed)!

With spring comes gardening, so we will be having a gardening meeting on Wednesday, April 3rd. Please attend if you wish to assist in our gardens this year. All residents welcome!

We will be attending the Belmore Maple Syrup Festival on Thursday, April 11th. The van will be leaving after breakfast (approx. 9:00, and returning around 4:00). Cost for pancake lunch is \$16, but admission is free. Sign up sheet on activation desk.

We have quite a few guest speakers this month; Mac Campbell will be coming in to chat with us, Lynn (Don Dodds daughter) will be doing a presentation on an amazing trip she went on (the destination is a surprise!), and Officer Soldan will be coming back for a very informative seminar on Frauds and Scams.

Weurth's Shoes will be holding a shoe sale on the 24th, the sale will be set up in the card room.

For musical entertainment, Steve Cook, Gladys, Wilma, the Irish Cowboys, The Adams Family as well as Katherine and Bob will all be returning!

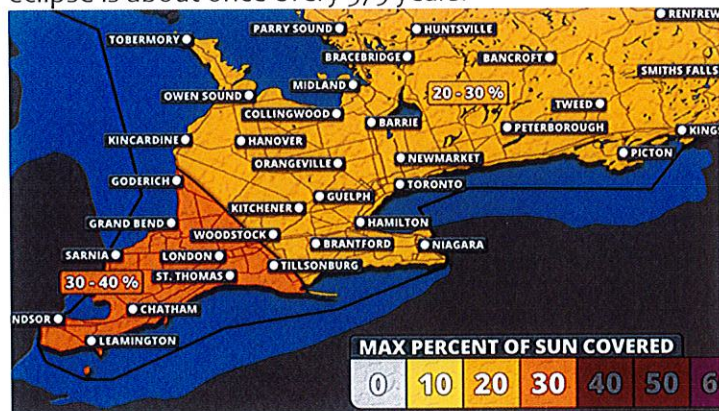

If you are away for any part of the Easter Weekend, please let staff know, so we have your medications ready and so we know you won't be in for meals.

I hope you have a very Happy Easter!!

Melanie

On April 8, Ontario residents may be able to witness something astronomers are calling a 'once-in-a-lifetime' event, when the moon's shadow falls on the surface of the Earth and makes its way over southern Ontario.

Many people have likely experienced a partial solar eclipse, which can look like something has taken a bite out of the sun. Opportunities to view a total solar eclipse are rare because they're typically only visible from a very small fraction of the Earth's surface. The average for any one spot on Earth to see a total solar eclipse is about once every 375 years!

April Fools' Day or All Fools' Day is an annual custom on April 1st consisting of practical jokes and hoaxes. Jokesters often expose their actions by shouting "April Fools!" at the recipient.
